Download transfer

1. Open email

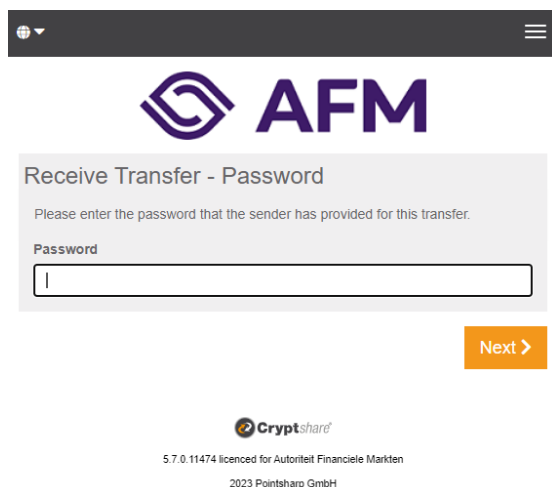

The file recipient will receive an email - like the one shown below - to inform that a file has been provided through Cryptshare. Click on Download Files.

The screenshot shows an email interface. At the top is the Cryptshare logo. Below it is a blue header bar with the text "Tracking ID: 20230602-114724-2K6r6Sxa". The email body contains a table with sender information: Sender name (Test), Phone (0201234567), and Email (chung.wong@afm.nl). To the right of this table are two buttons: "Download Files" (Available until 30, Jun 2023) and "Reply with Cryptshare". Below the table, there is a message: "Dear Sir or Madam, Confidential data has been sent to you by Test. You can download the data until 30, Jun 2023. After the expiration date has exceeded the data will be deleted automatically from the server. The transfer is secured by encryption." Below this is a section titled "Transfer Details" with a "To:" field containing "chung.wong@afm.nl" and a "Download link:" field containing "https://filetransfer.afm.nl/download?id=7ljnfyCycC". At the bottom, there is a link to "Cryptshare Documentation" and a footer stating "This message has been generated automatically."

2. Type password

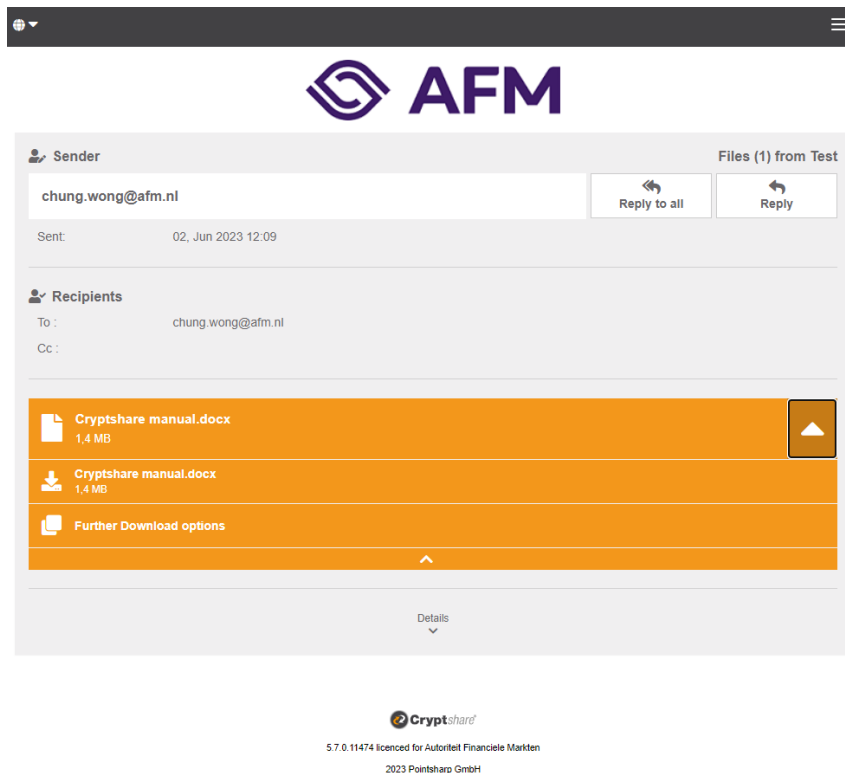

Enter password and click on Next.

The screenshot shows the AFM logo at the top. Below it is a section titled "Receive Transfer - Password". The text says "Please enter the password that the sender has provided for this transfer." There is a "Password" label and a text input field. Below the input field is an orange button labeled "Next >". At the bottom, there is a small Cryptshare logo and some text: "5.7.0.11474 licenced for Autoriteit Financiële Markten" and "2023 Pointsharp GmbH".

3. Download file

Click on Download files. Click on Finish after saving the downloaded files.

Note: In case of a problem please contact the sender. The sender's contact details are in the email.
